PART-TIME INSTRUCTOR

LOW VOLTAGE CABLING TECHNIQUES

SCHOOL OF ENGINEERING AND INFORMATION TECHNOLOGY

We require an instructor to teach theory and shop classes for courses related to low voltage cabling techniques and cabling installations at the Doon campus beginning April 2012. The incumbent will teach up to 25 hours per week in the daytime.

Applicants should possess five to seven years of work experience in the Low Voltage Cabling industry with preference being given to candidates with experience installing CAT5, Coaxial, Quad (telephone), and Fibre-Optic cables. Previous teaching experience is desirable.

*Qualified applicants should submit a cover letter and current resume quoting **Competition #12-007**. Resumes should be directed to: Employment - Human Resources, Conestoga College Institute of Technology and Advanced Learning, 299 Doon Valley Drive, Kitchener, Ontario, N2G 4M4, or by email to: employment@conestogac.on.ca **no later than February 29, 2012**. We thank all applicants; however, only those selected for an interview will be contacted.*
